- Note: A Teaching Associate or Graduate Assistant at San Diego State University must be admitted to the University by the Office of Admissions and Records, receive classified graduate standing during the first year or preferably the first semester, register each semester for at least six units of graduate courses in their degree program, and comply with policy and standards in the Graduate Bulletin. Failure to comply with these academic requirements or to perform teaching assignments satisfactorily will be sufficient cause for the termination of appointment. A Teaching Associate or Graduate Assistant must pay established services, facilities or materials fees, and, if a nonresident, tuition fees each semester. It is understood that a Teaching Associate or Graduate Assistant is primarily a student who is pursuing an education. Services rendered as an
- 18. Are you currently authorized to work in the U.S.? Yes No U.S. Citizen? Yes No I If you are not currently authorized to work in the U.S. please state your current immigration status.
  Are you currently authorized to work in the U.S. please state your current immigration status.

Associate or an Assistant are secondary to the main educational objective of the student.
